

The Big Easy to The Big Apple

I hope that some of you are able to come along and support this amazing cause, and the event being organised and run by The Christie Sale and Altrincham Fund Raising Group.

For three years now, across the North of England, The Midlands and North Wales, I have been giving illustrated concerts “New Orleans to New York”, playing my piano with a mix of music from the roots of jazz, inspired by Jelly Roll Morton, Scott Joplin, Fats Waller, Dave Brubeck, Errol Garner and Oscar Peterson, to my own jazz interpretations of classics from the world of Musical Theatre, by composers such as Jerome Kern, George Gershwin, Cole Porter, Jimmy van Heusen, Irving Berlin, Richard Rodgers etc.

The presentation is interspersed with tales of hilarious moments from my lifetime of playing jazz around the world and being involved in over a hundred stage productions.

I now have a chance to turn this very popular presentation into a full night of fundraising to support improvement in outpatient facilities at The Christie.

The official organisers are providing a cheese, wine, and pate supper during the interval. I would be so pleased to see you there supporting this cause.

The date is Friday 3rd May – 7.30pm arrival for 8.00pm start

The venue is Bowdon Rugby Club, Clay Lane, Timperley, WA15 7AS.

Tickets, wine and food included, are £12.50 – all proceeds to the Fund.

For more information, and to book tickets, call Barry on 0161 962 4160

I am delighted to be giving something back to this world class hospital which, because of its incredible success, has more and more demands on it.

I would love to see you there,

Cheers
