It will be great to see all the regulars again. Hope the band isn't "foggy" as well! It's a nice club, reasonable street parking by the club and a good car park a few yards away. We'll be playing in the good size, comfortable lounge room with a stage and bar with very reasonable drinks prices. And it will be FREE ENTRY! There will also be a raffle. Click here - street view

November 2021
16th - Café Society - welcome to an evening of this talented quartet and the "off the wall" cabaret with the outrageous Anthony Mason in his Noel Coward and George Formby roles. He will be joined by Phil Lucas on trumpet, Phil Shotton on reeds and Colin Turner on tuba. It sounds different - it is different. Entertainment par excellence.
13th - Sorry - No Jazz
20th - Paul Smith's Trad Collection - now for a lighthearted look at your favourite numbers from the Trad Jazz period plus Rhythm & Blues and other sounds to get your feet tapping. Jon Taylor on reeds, Andy Henderson on trumpet, Eugene Farrar on trombone, plus the versatile Jim Wright on banjo/guitar. A fun filled evening guaranteed.
27th - John + Jim + Tom + Ed - following on from a most successful evening in 2019, we are delighted to present again four of the North's most accomplished musicians. Our favourite reeds player, John Hallam, guitar maestro Jim Birkett, melodic pianist Tom Kincaid and the superb bass of Ed Harrison. A memorable evening is on the cards. see www.jazznorthwest.co.uk/bstn_spa.htm for more details
